

Soul Contracts

Unlocking the meaning
of your soul's journey
through the vibrations
in your name

Gellyahnah Akhen

A channel for divine wisdom, Gellyahnah merges sacred sound frequencies, soul contract channelings, and energetic healing into powerfully resonant teachings that are transforming the lives of seekers around the world.

With over half a million followers on Instagram and a waitlist of thousands for her sought-after Soul Contract readings, Gellyahnah is not just a spiritual teacher; she's a voice for those awakening to their deeper truth.

Talking Points

- What your Soul Contract says about your purpose, relationships, and karmic patterns
- Why sound frequencies are more than just numbers - they're energetic blueprints of your destiny
- Healing anxiety, abandonment, and ancestral trauma through connection to the Creator
- Why we're shifting from shadow work to soul alignment in the New Earth
- Understanding your child's spiritual design and how to parent energetically aware kids
- Why healing karma is really about emotional maturity and forgiveness

Just had my soul contract decoded and it was incredible! I've never felt so validated and seen. My confidence has skyrocketed. I was drawn to Gellyahnah's work for a reason.
